vs

CASE # TR2024-0143

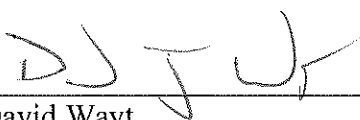

TRAVIS STEVEN RYLE
RURAL ROUTE HO49-70
GOLDEN VALLEY, AZ 86413
Defendant(s)

MINUTE ORDER

The Court is in receipt of the following documents filed by the Defendant: "Petition for Rule 60 Remedy – Fraud, Misconduct Void Judgement", Public Records Request – Judicial Misconduct, Procedural Defects, and Clerk Communications", and "Second Notice – Rule 60(b) Petition – Case #TR2024000143".

The Court notes that the Defendant cites Rule 60(b) of the Arizona Rules of Civil Procedure, despite the fact that the case referenced is a post-adjudicated criminal case. Because the aforementioned rules does not apply in criminal proceedings and due to the fact that the filing does not conform to the Arizona Rules of Criminal Procedure governing post-judgement relief or proper form submission, the Court takes no further action at this time. To the extent that the Defendant seeks to pursue a public records request, such request must be directed to the Clerk of the Court or the appropriate records custodian, not to the Court.

SIGNED THIS 11TH DAY OF SEPTEMBER, 2025.

Kingman Justice of the Peace
