## Subject: Withdrawal of UCC Assignment Filing – Unauthorized Use & Correction of Record

Dear Recorder,

I, Travis Steven Ryle, acting as Express Trustee and Beneficial Equitable Title Holder of **THE TRAVIS RYLE PRIVATE BANK ESTATE & TRUST**, hereby issue formal notice of withdrawal regarding previously submitted UCC assignment filings that may have referenced **Aztec Constructors, Inc.** and/or **THE TRAVIS RYLE PRIVATE BANK ESTATE & TRUST**.

Upon review, it has come to my attention that both Aztec and the Trust were referenced, published, or associated in filings or communications without proper consent, authorship, or procedural alignment. Additionally, the lien in question was not perfected in accordance with the Trust's standards and was initially published via a third-party platform not under direct control.

To preserve the integrity of the public record and prevent procedural misclassification, I respectfully request that any such filings be withdrawn and treated as void ab initio.

This corrective action is undertaken in good faith and reflects the Trust's ongoing commitment to lawful remedy, transparency, and authorship integrity. Should future

review reveal any legitimate connection or procedural breach, appropriate remedy will be pursued through proper channels.

Please confirm receipt and processing of this withdrawal. I remain available for direct correspondence should clarification be required.

With respect,

Travis Steven Ryle

Express Trustee, Beneficial Equitable Title Holder
