Subject: Withdrawal of UCC Assignment Filing - Correction of Record

Dear Recorder,

I, Travis Steven Ryle, acting in my capacity as Express Trustee and Sovereign Enforcer of THE TRAVIS RYLE PRIVATE BANK-ESTATE & TRUST, hereby submit formal notice of withdrawal and correction regarding previously recorded UCC assignment filings, specifically referencing [insert filing numbers or document titles].

Upon internal review, it has been determined that the lien referenced therein was not perfected in accordance with the Trust's procedural standards and was initially published via a third-party platform not under direct authorship or control of the Trust. To preserve the integrity of the public record and prevent procedural misclassification, I respectfully request that the aforementioned filings be withdrawn and treated as void ab initio.

This corrective action is undertaken in good faith, consistent with the Trust's commitment to lawful remedy, transparency, and authorship integrity.

Please confirm receipt and processing of this withdrawal notice. Should further clarification be required, I remain available for direct correspondence.

With respect,
