**1-3 STRAND, LONDON, WC2N 5JR, UNITED KINGDOM**

**AS A FOREIGN PRINCIPAL OPERATING WITHIN THE UNITED STATES.**

PREAMBLE: Let it Be known to the corporate fiction know as RELX PLC, a Foreign Principal domiciled in the United Kingdom and the Netherlands, that this writ is served under the sovereign authority of The Ryle Coalition. We Cite your own statutes (22 U.S.C 611 et seq., the Foreign Agents Registration Act- Fara) which command that any agent acting in a quasi-political capacity on behalf of a Foreign Principal must register with the government of the United States. Your complete and truthful response is demanded under the penalty of your own laws.

BASIS OF INQUIRY: The Integrity of the American judiciary requires absolute independence from foreign influence. RELX PLC, through its subsidiary Lexis Nexis, is deeply embedded in the American Legal system, providing the data, case law, and analytic tools upon which Judges rely.
